

2021 Best Practices in Safety Awards

Part of the MAPP & ARPM Best Practices Awards
Series

The Process

- MAPP & ARPM members were asked to submit their best practice in safety within their facility. Their best practice needed to align with at least one of the following topics:
 - Employee safety training
 - Safety committees
 - Safety audits/walk-throughs
 - Emergency training
 - Tracking/Communicating Safety Metrics
 - Equipment and Mold Change Safety

Selection

Entries then went out to the MAPP & ARPM networks for a vote

- Entries were rated on a scale of 1 to 10 on the following topics:
 - Creativity/Resourcefulness
 - Ability to replicate in other facilities
 - Overall impact on the organization
 - Sustainability
